ONE DAY WORKSHOP ON

Skill Development in Mathematical Applications

Unveiling Excellence

Organized By

Department of Mathematics

USTM

Accredited 'A' Grade by NAAC

Date: 26th April 2022

Time: 09:00 AM Onwards

Venue- Block - H, USTM

Resource Person

Dr. Hemen Dutta
Department of Mathematics, Gauhati University, Assam

Eligibility

Students pursuing M.Sc./ Ph.D. in Mathematics

Mode of Classroom : Offline

About the Workshop

This workshop will help students to gain a basic understanding of research methodology. Also, its primary aim is to familiarize the students with latest skills which will enable them to practically use and supplement their theoretical knowledge.

About the Department

The Department of Mathematics was established in the year 2016. The mission of this department is to provide an environment where students can increase their credibility and knowledge. Moreover, the department is on the way to contribute for the development of students as mathematical thinkers and to function as productive citizens. The department not only teaches various topics in mathematics to undergraduate and post graduate students of computer application, business administration and science departments, but also run its own two years M.Sc. Course in Mathematics. The department offers one computer course in M.Sc. and also offers research facilities for Ph.D. students in different branches of Pure and Applied Mathematics.

Objectives

At the end of this workshop, students will be able to:

1. Acquire various skills which will enable them to practically use their theoretical knowledge.
2. Understand the basics of research methodology.
3. Prepare of research paper/ dissertation/ thesis.
4. To learn necessary tools such as LaTex for effective writing.
